

## OVERVIEW

Power Assemblies has designed a Company Switch that is beautiful in its simplicity. The Power Asssemblies Company Switch is UL 891 listed, and fitted with either molded case switches or circuit breakers. It comes with a lockable bottom CAM Lock Connector section and a lockable door that cannot be opened while the Company Switch is under load. This simple design allows for a lowcost unit that still provides high-quality materials and components.

## Features and Benefits

$60,100,200$, and 400 amp options to meet a wide variety of requirements

UL/cULus 891 Listed

Double Neutral available for balancing heavy lighting loads

Industry standard series 16 colorcoded CAMS for ease of use

NEMA 3R/12 enclosure suitable for falling rain, and remains undamaged by ice formation on the system.
